Coffee & Cake

House Caber Coffee

Premuim Fairtrade Espresso, Classic 80-20 blend (80% Arabica and 20% Robusta), Dark Roast - Sourced from a selection of small-holder co-operatives from Latin America and East Africa and all of the coffee is Fairtrade certified (guaranteeing a fair price to the farmer and Fairtrade premium for re-investment). Each of the coffees is selected for its ethical credentials but also for the character each coffee brings to the blend.
